It was the summer of 2022, to be exact, late July. We'd completed our Frontline Hero bathroom remodel, and the ladies of JDS Bath were discussing further ways to give back to our community. After some brainstorming, they decided to find a local community outreach center to donate to during the holiday season.

One of our team members, Pamela, reached out to several programs. And the Chesterfield Food Bank Outreach Center contacted her.

Pamela spoke with the center's director, and they discussed donation shortages.

For food donation centers, there are busy times when many people give, and other times when it's less thought about. Pamela discovered that there's an overwhelming amount of donations during the summer and over the holiday season, but donations begin to run short during the fall and winter.

She took her findings to JDS Bath's owner, Mr. Rickard. Upon learning about this, he decided that the JDS Bath Crew would host a food drive, and we have done so biannually ever since.

Spread the word and help us help those in need! From October 1st, 2026 – October 31st, 2026, we are accepting donations at our office, Monday – Friday from 9:30am – 4:30pm. If you have a large load, let us know ahead of time and we will help you unload your vehicle!
